The offering today is for **Local Church Budget**. Loose offering not specified on a Tithe Envelope for the weekly offering or a particular ministry always goes to the Local Church Budget. Also please remember all those ministries in our church not funded out of the church budget and rely totally on individual donations. Write your first and last name on the envelope if you wish to receive an annual receipt for your records or tax purposes and include your address if you will not be here in January to pick up your receipt.

Christian Appeal – " "The most difficult and humiliating lesson that man has to learn is his own inefficiency in depending upon human wisdom, and the sure failure of his own efforts to read nature correctly. Sin has obscured his vision, and of himself he cannot interpret nature without placing it above God. He cannot discern in it God, or Jesus Christ, whom He has sent. He is in the same position as were the Athenians who erected their altars for the worship of nature. Standing in the midst of Mars Hill, Paul presented before the people of Athens, the majesty of the Living God in contrast with their idolatrous worship."
